GRIP PRO TRAINER™

Few people appreciate how important grip strength is. It affects your performance in sports or just opening a jar. Grip Pro Trainer very effectively increases finger-hand-forearm strength. It has a natural feel in your hand and is easy to use almost anytime/anywhere. It eliminates the uneven workout of spring exercisers and is far more dynamic than grip balls. Available in 3 levels of difficulty: 30lb, 40lb or 50lb of resistance. \$7.95 or try all 3 for \$19.95
